

WHY CHOOSE THE IMAGE SCHOOL OF DANCE?

1. **Experienced, Mature Staff/ Recreational and Competitive programs**

We offer **FUN, FRIENDLY** programs suitable for all age groups and levels. Dancers are placed with others of the same age and level. Preschool classes are small to encourage a positive early experience.

Programs begin with 4 levels of preschool classes and continue to include classes for ages 6 and up in both **RECREATIONAL and COMPETITIVE** programs. We offer assessments of all dancers to ensure they are in the best class for their age and ability. Your dancer receives exceptional training in a fun, friendly atmosphere. Classes are organized and efficient so that all of the class time is used to its potential. Costumes and choreography chosen for our groups are always age appropriate and respectable.

2. **Optional FREE fundraising**

As a thank you to our families, we offer fundraising with a great personal profit at **no annual charge** to you. Unlike other organizations that charge a yearly fee, we provide you with many options to fundraise at no charge. Fundraising is always **OPTIONAL** and the profit you make goes directly to your dancers' account, not as a group effort. Examples of our fundraisers include Cookie Dough, Safeway Gift Cards, Locally owned Sausage Sales, Chocolate Almonds and Bingos... to name a few. Once you are registered with our school, you will receive more information.

3. **Open door policy so parents can watch every class**

It is important to us that our dancers feel comfortable in our class. Sometimes our littlest dancers need to know that mommy or daddy is there. With this in mind, we conduct all classes with an **open door policy**. Parents wait in the lobby but are able to watch every single class through our **studio windows**. This works well and is appreciated by both the students and parents.

4. **Small class sizes**

Our school offers smaller class sizes than most schools. This allows for exceptional personal training. Preschool classes are led by mature instructors.

5. **Brand New Facility**

Our school operates in Deer Park Centre, Spruce Grove and in Tudor Glen Place, St Albert. These newly renovated facilities offer a **comfortable waiting area** for parents and a homework/supper table for those dancers who spend many hours at the studio (spruce grove location). Equipped with a **specialized dance floor, mirrors, barres and natural lighting**, this dance space is both comfortable and professional for our dance families.

We are dedicated to providing solid technical training to our students while instilling a love for dance and improving self-esteem.

Should you wish to discuss anything further with our director, Miss April, please call 780-960- 0053 or 780-418-0535.

Thank you for choosing our school.
